BALANCE SHEET OUTPUT

4. Advantage and Dis advantage

Advantages:

1. Accounts maintained easily.
2. Time saving.
3. It is an easy way to create sales, purchase order, bill and invoices.

Disadvantages:

1. We cannot see the customers and talk over the customers.

5. Applications:

ZOHO Books link: books.zoho.com

6. Conclusion:

1. First we open the link and we create the organization name.
2. The zoho books page opened, First we create the items.
3. Then, Sales creation and purchase creation.
4. Now to create vendors, purchase order, bills and invoices, customers, adding bank account, new accounts and ledger, journal entries, recording banking transactions.
5. To see the reports what we can create and record.

7. Future scope:

1. Group scope provided complete access to all functions the user can perform on the record.
2. For instance, a group scope can allow a user to read, create, update and delete records in all modules.
3. The user has access to all modules in the client ZohoCRM account.
